

**LETTER OF AGENCY
FOR TELEPHONE SERVICE**

LymeFiber can provide telephone service to its customers along with the fiber optic internet service. Your current phone number(s) can be ported over and served by LymeFiber. Once LymeFiber has received a completed and signed copy of this Letter of Agency, it can contact your telephone provider on your behalf to switch the service. At that point, LymeFiber will be your Local Telephone Service Provider.

This Letter of Agency gives legal authorization to LymeFiber a) to act as your agent to make any and all inquiries necessary for the purpose of obtaining Customer Service Records information, and b) to act as your agent for the purpose of taking any and all actions required (including the removal of any account protection / freezes) to become your LOCAL SERVICE PROVIDER and to implement other services described herein for all your physical services and billing locations as noted on this form including changing your long distance carrier(s). PLEASE ONLY LIST THOSE NUMBERS YOU WISH TO SWITCH.

This authorization does not preclude our ability to act on our own behalf when we deem necessary to do so.

I, _____, authorize LymeFiber or its authorized designee to review my account information, assess current services and assist in making modifications to my account throughout the duration of my agreement. I give LymeFiber the authorization to notify all appropriate parties, including my current local and long distance carrier of choice and to make the necessary changes for my current and future services without further permission. LymeFiber may obtain any records from my local intraLATA long distance, and / or long distance Telephone Company necessary so that they may provide these services to me.
